Hi David,
 I will get with Legal and submit a Revised Exhibit A deleting D.S.S. Transportation from the report and file the revised list with the Commission.

*Thanks,
 Carole*

Subject: RE: Bi-Monthly Report of Orders out of Compliance

Good morning, Ladies and Gentlemen:

We have an issue that I wanted to bring to your attention, and I seek your help on it. We noticed that D.S.S. Transportation, DN 2021-40-T, was listed on the Exhibit A, which showed Companies out of compliance. This particular company actually requested a one-year extension to comply with Commission Rules and Regulations, and the Commission granted that extension at yesterday's business meeting. I understand that there was no way of knowing that this extension was granted yesterday, unless you happened to be watching the Livestream of the Commission meeting. Would it be possible, please, for you all to issue an amended list, which omits D.S.S. Transportation from the Exhibit A? Thanks in advance for your consideration in this matter.

Regards,

David Butler

Attached you will find ORS' letter and Exhibit A pertaining to the above, which was filed with the Commission today.
